Clean ’n Easy microfiber cloth on roll Extra Performance

Description

The Clean ’n Easy microfiber cloth on roll Extra Performance has been developed for effective and hygienic cleaning of various surfaces. By slightly moistening the cloth and folding it in half, dirt and bacterial contamination are efficiently absorbed and retained.The high-quality microfiber composition of 70% polyester (PES) and 30% polyamide (PA) ensures strong cleaning

Specifications

Item code	03021733
